Individuality.

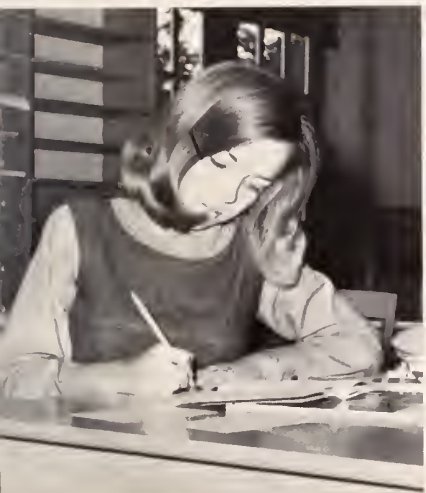

Whether we are learning,
participating, relaxing,
or developing our
individuality,
the emphasis is "together;"
and the song is ours.
The college exists. It is
the instrument for our . . .

College Life

Orientation Week Proved

Many new faces appeared on campus during the week of orientation. Freshmen and transfer students got their first look at college life during this week. It was hectic; it was confusing; it was fun; it was wonderful . . . it was Troy State College and the class of '70 was making its appearance.

Linda Knowles discovers that there is an unending variety of forms to be filled out during orientation.

IBM machines speed registration considerably.

Valuable to New Students

Palladium pictures are the first thing on the agenda during orientation.

Betty Sowell "watches the birdie" for I.D. pictures.

The weather is hot during orientation, so clothing is casual.

Improved Registration

Registration means halls crowded to overflowing.

The ordeal of registration eventually terminates with the shelling out of money.

Still Brings Some Headaches

Through the efforts and plans of the Student Government Association, the dread of past registrations was, to a large extent, eliminated. Added facilities in the area of Data Processing, curtailed much of the confusing paper work and helped to speed the process. By spreading the different phases of registration into several different buildings, the overall efficiency of student processing was greatly enhanced. Even though there has been much progress made in this area at TSC, registration still remains as one of college's most trying ordeals. The lines to becoming a TSC student were long, but for those that made it, Registration 1966 will long be remembered as an important landmark of their happy days at Troy.

Automation has yet to replace standing in lines.

"Sorry this section is closed," was often heard by students as they tried registering for classes.

Rat Week Gave Freshmen A Good Start

Any back-talk by "rats" is severely punished.

All the trials and tribulations of rat week are forgotten as the "rats" are rewarded with their own "hootenany."

"Rats" assemble in Memorial Stadium to await the "Fun and Games" planned by upperclassmen.

The egg throwing contest proves to be the highlight of the night.

Mimi Lewis and Bo Bludworth seem to be enjoying rat week activities.

College's Progress Marked By Constant Growth

The pounding hammers measure the passing time ... slowly, inch by inch, brick by brick, the walls of progress soar ever upward. A new science building ... where man will gaze at microscopic worlds, lift his eyes to the heavens ... and grope for the stars. A new library ... housing the ideas and ideals of a hundred generations or more ... unique ideas of a better life on earth.

residence hall in Alabama.

The growth of TSC is shown by the erection of a new Science building which is to be completed by spring quarter.

Construction was completed on the new Dining Hall just prior to Homecoming.

New Dining Hall Serves Over 300 Students

The new TSC Dining hall opened just in time to provide a welcoming atmosphere for the Alumni luncheon during the week of Homecoming. The completely air-conditioned structure provides seating area for approximately 325 students. Supplementing the service provided by Shackelford and Eldridge dining halls, this beautiful structure presents an eye-pleasing view and stands as an important step in progress on the TSC campus.

Homecoming visitors were the first to be served in the new Dining Hall. It was opened to the students at the beginning of the second quarter.

Before the new dining hall opened, long cafeteria lines reflected the overcrowded eating conditions.

Students Go All Out for Recreation

For everything there is a time, and when it's recreation time TSC students go all out. When spring fever weakens the academic spirit, then it's time for a rousing game of tennis or golf. With a

variety of facilities provided by the Physical Education department, TSC students find an abundance of recreational activities to fill their leisure time.

One of the many recreational activities of TSC coeds is participation in college sports such as tennis.

Almost any time of the day you will find boys enjoying the handball courts.

The game of paddle tennis enables those who participate to remain in top physical condition.

Excitement is the theme of Queen Ginger Payne's reign.

Combined Homecoming —

Homecoming was a gala affair this year with all campus organizations contributing their fullest efforts. The eventful weekend began with the traditional Argonaut "Hanging." The height of the pre-game festivities was the pep rally in Sartain Gym, in which there was an exuberant display of homecoming spirit. The combined Homecoming-Appreciation day Parade proved to be the biggest and best yet, featuring 20 bands from south Alabama and Georgia. The award winning floats and displays for this year were sponsored by Delta Chi fraternity, Phi Mu sorority and Alumni "B" dormitory.

The Homecoming Dance, held in Kilby Auditorium, proved to be one of the most successful social functions of the year. The Adelphees, who were in charge of decorations, worked for over a month to provide the oriental atmosphere which exemplified this year's theme. For all members of the student body, it was indeed a moment to remember.

Brenda McGill and Ronnie Ammons ride the Circle K float in the parade.

Appreciation Day Highlighted the School Year

Theta Chi is prepared for tough opposition.

Charles Henderson High School supports the Red-wave with a float in the parade.

This year the Skit Night Trophy changed hands as Hamil Hall gave a delightful presentation entitled "The Girls of Hamilena." to take top honors of the evening. Second place winner was Dill Hall with a skit entitled, "A Visit to the Doctor's Office," followed by Third place winner, Shackleford Hall.

Judges for the contest included: Mrs. Ralph Adams, Dr. Thomas Mew, and Dr. and Mrs. Brooks Thompson.

College Reveals Students Individuality

As the many facets of a diamond reflect its dazzling light, so the faces of TSC students reflect the inner feelings of self prevalent in each individual.

A moment of solitary reflection.

Even resident hall rooms reflect individuality.

Every TSC student can find a place for quiet meditation.

In moments of quiet meditation ... in the midst of exuberant activity ... in the serious work of artful creation ... all of these reflect the shining light of Troy State College.

Competition must be mediated by authority.

To capture reality on paper is the constant goal of art students.

A sure sign of spring is when the pecan harvest is gathered.

The traditional answer to the parking problem.

The routine of life at TSC includes a world of activity. From the never ending task of signing in and out of the dorm, to the rising walls of a new academic building . . . all of these are a part of life at Troy State College.

Casting your vote in student elections requires much concentration.

UMOC, Jeff Cotton, displays his trophy.

"I took it apart, I should be able to put it back . . ."

The road to knowledge is a long one . . .
 And we must learn to walk before we run . . .
 It takes a bit of courage to take that
 first small, faltering step;
 But soon we are well on our way to . . .
 Knowledge . . . Wisdom . . . and Success.

This Is TSC
1966-67

And when the future looks back at this time we passed . . .
Who will have the courage to stand and say . . .
We had forgotten the small, quiet, finer moments of life . . .
A moment on a rainy day that was cheered by a smile . . .
A lonely moment . . . brightened by a new found friend . . .
A moment in which to relive the past on a certain day in
June . . .

The falling leaves, like the sands of an hour-glass,
Measure the passing time.
Seasons change . . . people change . . .
But memory serves to remind us of a certain autumn day . . .
A day when the wind was rising . . . and the leaves came down,
Adding a certain feeling of perpetual motion to the world.

Big Name Entertainment for Fall Quarter comes in the form of Sam the Sham and the Pharaohs.

SGA Brought Popular Groups To Campus Each Quarter

Leading off the big name entertainment for this year were Sam the Sham and the Pharaohs, who shared the billing with popular singer, Del Shannon. Twenty-four year old Sam the Sham began his singing career at Arlington State College in Texas and later joined the Pharaohs in the New York area. The popularity of Del Shannon, who has several gold records to his credit, comes from his unique singing style.

Second quarter entertainment features the McCoy's singing group. This group won international prominence with their first recording. Since their initial impact, they have toured the United States, Canada, and England with rising success and popularity.

The McCoy's furnish entertainment for Winter Quarter.

Lyceum Attractions Included Top Entertainers

Under the direction of Chairman Dr. Brooks Thompson, the Lyceum Committee brought several top entertainers and speakers to the TSC campus. Fall quarter the Committee featured an evening of Spanish music by the Singing Boys of Monterrey.

Winter quarter's entertainment was highlighted by the talent of pop singers Jack and Sally Jenkins followed by the lyric tenor Melvin Brown. The quarter's entertainment was climaxed by the unique performance of violinist and harpsichordist Jerre and George Lucktenberg.

Playmakers Provided Top Drama Fare

Robert Suttle, President; Judy McGaffy, Secretary; Wayne Glover, Vice President

The Playmakers under the very capable leadership of their new director, Fred Ricci, presented a year of extremely outstanding drama. Mr. Ricci's first TSC production, *The Tempest*, was a great success with Sam Morton and Jean Townsend playing the leading roles.

The winter quarter production, entitled *Playmaker's Showcase*, featured a variety of scenes from different well known plays including *Bus Stop*, *The Dark at the Top of The Stairs*, *After the Fall*, and many more.

For the spring quarter, the playmakers chose the historical drama, *Beckett*.

A winning cast presented a winning performance of *The Tempest*.

Sam Morton played the leading role in the *The Tempest*.

Caliban (Ton Trobaugh) presents a grotesque appearance.

Sebastion (Jerry Tisdale) and Antonio (Robert Suttle) give life to the words of the Bard of Avon.

WAVEMEN: Rod Henley, Medley Curry, Bob Hickman, Happy Poyster, Jimmy Green, Linwood Erb, Richard Maxwell, Johnny Sanders, Bob McNair, Kenneth Knight, Richard Kimmel, Richard Hand, Larry Dodson, Jimmy Warren, John Jeffcoat, James Williams, and Pam Stephens.

A wealth of talent unparalleled in the nation . . . the TSC Collegiate Singers.

Collegiate Singers' Music Heard Nationwide

The Troy State Collegiate Singers, under the direction of Dr. Charles V. Farmer have appeared on nationwide television and radio and have sung on concert tours in the South. The group was selected by Mutual Broadcasting System for six consecutive years as one of the nation's outstanding choral organizations.

The "Collegiates" have just completed a concert season of approximately 25 programs including annual appearances on Christmas and Easter programs on WSFA-TV, Montgomery, WTVY-TV Dothan and WTVM-TV, Columbus, Georgia; performances in churches; a tour including the larger high schools of Alabama and north Georgia; Homecoming and Christmas concerts; performance for the state meeting of Alabama Federated Women's Clubs in Montgomery and the Golden Anniversary Convention of Alabama Federation of Music Clubs in Selma; and for meeting of Future Teachers of America. They were doubly honored by being asked by WSFA-TV to give the initial telecast in color originating in their own studios, since this telecast was entitled "Alabama Salutes Lurleen" and was the first official appearance of our new Lady Governor over television after her Inauguration.

The Collegiate Singers latest album in hi-fi and stereo just released, has had wide appeal and circulation necessitated a second pressing. Officers for the 1967 Collegiates are Pete Helms, President, Bobby Johnson, Vice President, and Toni Stephan, Secretary.

Row I: Sandra Curtis, Jenny McLeMore, Amy Garvin. Row II: Linda Glenboski, Head Cheerleader; Judy Brown, Vivian Dean, Ginger Payne.

Lively Cheerleaders Boost School Spirit

The enthusiasm of the TSC cheerleaders added spirit to the Homecoming Parade.

A large portion of the credit for this year's intercollegiate victories may be attributed to the cheerleaders. Precision was the keynote of this year's squad as they spent a vast amount of time in learning new cheers and perfecting the old ones. Their enthusiastic leadership proved a boon to the spirit of TSC. Win, lose, or draw, the cheerleaders were always avid and faithful supporters of the team.

The Troy State College Marching Band . . . "The Sound of the South."

College Band is Object of Pride to TSC

The Troy State College Band has had an unusual record of accomplishments during the past year. The 110 piece marching band played at all home football games and made appearances in Birmingham, Florence, Jacksonville, Ozark, and in New Orleans, Louisiana.

Because of the outstanding football shows, the band was selected to play for the halftime of the Pittsburgh Steelers-Cleveland Browns game in Birmingham, Alabama at Legion Field. The Band also played over the CBS TV Network last year at the Blue-Gray football game in Montgomery, Alabama where the CBS announcer called it the best halftime he had seen all year.

Director Johnny Long finds the "Bull-horn" an invaluable directing aid.

Many Accolades Come To Troy State Bandsmen

The band played at the Mardi Gras parade in Montgomery and also at the Mobile 100th Anniversary Mardi Gras Parade. The band was used over NBC TV at the inauguration of Governor Lurleen Wallace on the Huntley-Brinkley Report and was the only band used of more than 180 bands which were in the parade.

The band is made up of members from seven states who make a concert tour each spring playing to hundreds of students and supporters throughout the area.

The Winter Concert included Wagner's "Tannhauser Overture" along with many other numbers of fine band literature.

The band is directed by nationally known band director, Johnny Long, five times nationally contest winner and listed among *Who's Who in American Education*.

Women From Cowart Reap Many Honors

Situated at the very center of the college campus, Fletcher Jackson Cowart Hall boasts some of the college's most outstanding young women. Not only does Cowart boast of being home to the 1966-67 Homecoming Queen, but also to TSC's Top Campus Beauty. Residing in Cowart are the Sweethearts of Alumni and Clements Halls as well as the Sweetheart of Tau Kappa Epsilon.

The dormitory provides more than just a place to hang your hat. Within its walls is contained an atmosphere for both recreation and study. The strategic location of Cowart is also one of its many attributes.

Last summer, the lobby was remodeled and is now one of the prettiest on campus. Mrs. Carra Adams is now serving her third year as Director.

Hamil Houses Nearly 150 Women Above Frosh Level

Following the traditions set in the past, the 146 upperclass women now living in Loraine Estelle Hamil Hall have received many honors and awards. At present Hamil holds the WAA trophy and the WRA Volleyball trophy won in the Fall, 1966. Among the residents are representatives to *Who's Who in American Colleges and Universities*; members of both the Homecoming and the Basketball courts; sweethearts of various Fraternities, Service Clubs, and Men's Residence Halls; campus beauties; and elected officials of organizations on campus.

Each resident of Hamil Hall places importance on scholastic achievements and participation in various campus activities. These young ladies in everyday living exemplify the high ideals of true American womanhood.

Frosh Women Make Home in Shackelford

OFFICERS: Carol Burdeshaw, Secretary-Treasurer: Diane Jones, Vice-President: Katherine Jackson, President.

Edward M. Shackelford Hall, under the direction of Miss Jo Salter, is well known for its participation in campus activities.

Intramural sports, homecoming displays, participation in the homecoming parade and the annual Christmas party were highlights of the year.

Fall found the halls of Shackelford bubbling with the eager expectation of the freshmen girls housed there. As time passed, this eagerness was sustained; however, added to it was new knowledge, a new pride in Troy State and a new way of life.

DIRECTOR: Miss Jo Salter

ASSISTANTS: Nancy Gunter, Barbara Lancaster, Paula Houghthy, Miss Salter, Mary B. Deese, Glena Byrd, Henrietta Farmer.

After serving for twenty years as a men's dormitory, Matthew Downer Pace Hall serves its first year as a women's residence hall. A house council of four elected officers, the assistants, unit leaders and senators under the direction of Mrs. Nettie L. Green formulates the regulations necessary for harmonious living.

Residents of Pace are active in honorary and social organizations. The women of Pace have represented their hall and campus as Homecoming attendants, campus beauties, majorettes, cheerleaders and members of the Student Government Association.

Pace also claims the distinction of housing the chapter rooms for all three social sororities on campus.

Alumni Hall Provides

Alumni Hall, the largest residence hall in Alabama under one roof, was dedicated to the alumni of Troy State College during Homecoming activities on October 29, 1966.

Although the building is considered two separate administrative units, each with its own director-counselor and staff, the spacious, well-equipped foyer, guest lounge, recreation room, and television lounges are common to both wings A and B.

Alumni Hall is one of the few residence halls in the state built around a well-planned, balanced educational and recreational program for its residents. A dormitory is a place to sleep; a good residence hall program provides twenty-four hours a day.

HOUSE COUNCIL: David Stewart, Sonny Forrester, Buford Pate, Robert Howe, Donnie Byrne, Felix Boswell, George Furgueson, Johnny Tatum, Leon L. Richards, Wilber Warren.

DIRECTOR: Don Crapps

Most Modern Residence Facilities

The modern intercommunications system, complete air conditioning, library, and facilities for study, relaxation, and recreation make Alumni Hall one of the finest structures of its kind to be found anywhere.

Built at a cost of nearly 11½ million dollars, the facility provides housing for 538 men residents. It is one more step in the plan of the Student Personnel Department to provide one of the finest residence hall programs in Alabama.

Frosh Predominate As Dill Hall Residents

Richard McCrary, Director; Dawn Phillips, Sweetheart; John Layton, President; Fred Miller, Vice-President; Bill Hickman, Secretary.

Opened in 1958 as a freshmen residence hall, Dill Hall has continued to be a leader among the men's living units on campus. During this past year, Dill Hall has once more become a predominantly freshmen residence hall.

The residents of Dill have participated in many of the campuswide events. During the fall, banners flew from the top of the building each week urging the Red Wave on to victory. The Homecoming Display, one of the most beautiful on campus, added a great deal to the week-end festivities. Also, Dill residents participated in the blood drives, helped in the erection of a Christmas tree on the campus, and added spirit to Skit Night. Hall activities have centered around the color television, the Hall library, the recreational rooms, and the Hall's newspaper, "The Trophy."

The men of Dill Hall feel that they have contributed to the educational, recreational, and cultural activities of the Troy State campus.

Clements Residents Rate High in School Spirit

SENATORS: Pat Hughes, George Dickey, Doug Ingram.

Clements Hall is very active in campus activities and provides a good atmosphere for recreation and study for its residents. Clements Hall has participated very strongly in school spirit by showing strong attendance at both pep rallies and ball games.

Within the dormitory itself, the residents have shown a great deal of internal spirit. Clements Hall won the blood trophy this year by having the greatest percentage of any dormitory to donate blood to the Red Cross. A pool table and ping-pong table has been provided for the recreation of the residents. A library has been started this year and is progressing rapidly. A few study rooms have also been provided to enhance the educational atmosphere.

Clements Hall's sweetheart, Miss Ginger Payne, has represented Clements Hall well and was elected Homecoming Queen by the Student body.

Students Rates Big Here

A mainstay in the campus life at TSC is the 'voice of the students,' the Student Government Association. This year, under the vigorous administration of President Edward "HOOT" Gibson, the Association has been instrumental in furthering the progress of nearly every phase of the educational process.

Through its plan of teacher evaluation, there has been renewed and better student-administration relations. The Association played a vital part in bringing about longer library hours to better facilitate study and research.

In general the Association added to the over-all fun of campus life through its sponsorship of such activities as: Skit Night, Rat Week, Freshmen Orientation, the Week-end Movies and Dances, and the Spring Jamboree.

An Opportunity for Self Government

Lawmaking and interpretation rests in the hands of the SGA Senate and Judiciary Committee. The three main objectives of the Senate are to appropriate Students funds, maintain the polls during all student elections and to make all laws governing student activities.

The Judiciary branch of the Student Government Association is composed of nine members who are appointed by the President of the SGA. This group tries all student cases concerning the breach of Senate rules and regulations.

Publications

Staff Realizes Goal of Books for Everyone

The *Palladium* staff, which is headed by Editor Kathy Pennington has put many long hours and much effort into the production of this fifty fifth edition of the *Palladium*. Those who have devoted their time and energy into making this yearbook the best one possible realize that this will be a *Palladium* which will be cherished for years by all who have a copy of it.

For the first time this year *Palladium* will be given to all students who are enrolled at Troy State. This was done because the administration and staff felt that every student should have access to their school yearbook which holds so many memories of the past year.

Weekly Papers Keep Tropolitan Staff Busy

The *Tropolitan*, student newspaper, is an independent organization under the Board of Student Publications. As a weekly publication, it is designed to acquaint the reader with Troy State, to record the history of the college and to arouse interest in the college's activities and environment. The "Trop" is a member of the Associated Collegiate Press and receives a yearly rating from this organization.

This year the *Tropolitan* played an important part in furthering the progress of TSC by commenting on the year's newsworthy events and accurately reporting the news.

"Trop" advisor, Mr. Wallace Waites, lends a helping hand in meeting a late afternoon deadline.

Even *Tropolitan* Photographer, Bruce Neal, finds it necessary to pose occasionally.

Business Manager, Joe Stephens, looks over a finished product with satisfaction.

Editor-in-Chief, Sandra Harvell Rogers plans the front page for the forthcoming weekly newspaper.

Jackie Morrow, Managing Editor, reviews copy for possible error.

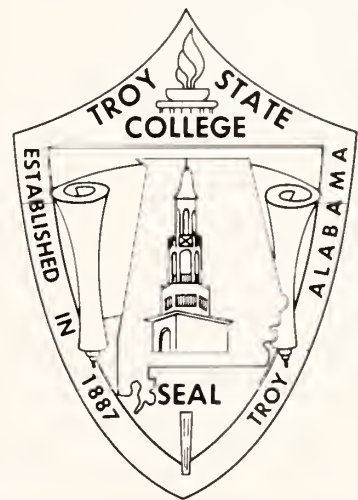

With a Wednesday evening deadline each week, mid-week becomes a hectic time for the *Tropolitan* staff. The many jobs involved in publishing the paper weekly have been faithfully performed this year by Janice Prescott, John Mecklenberg, Butch Seymour, Nick Lackeos, Gloria Lee, Walter Browning, Rachel Wilkes, Mary Pickens Wilson, Pamela Wolf, Rosemary Milner, Alice Phillips, John Roy, Bud Wilson, Gary Meadows, Bob Corley, Gary Dickey, Tom Sims, Steve McGee and Lance Stabler.

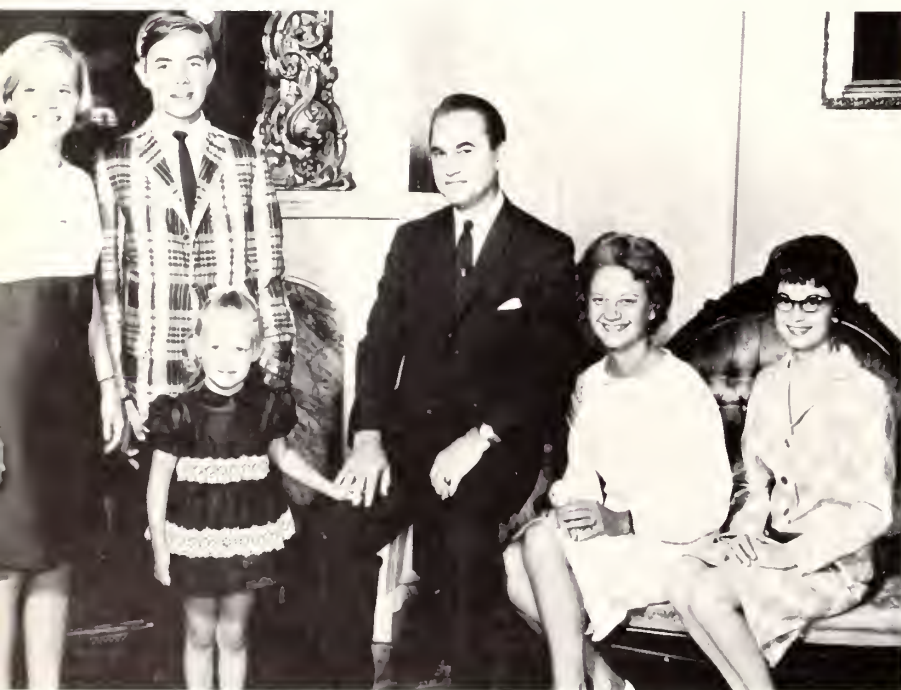

ADMINISTRATION

Alabamians Proud of First Woman Governor

One of the many official tasks of Governor Lurleen B. Wallace is the signing of bills, which are presented to her by the State Legislature, into laws of the State of Alabama.

ALABAMA'S FIRST FAMILY

Peggy Sue, George, Jr., Janie Lee, George C. Wallace, Governor Lurleen B. Wallace, and Bobbie Jo

The administration of the laws and policies of the State of Alabama was placed in the very capable hands of Governor Lurleen B. Wallace, the first woman governor of our state, on January 16, 1967. Governor Wallace has been in the political spotlight for many years, and because of her many contributions to her state and nation was recently named by the Gallop Poll as the sixth most admired woman in the world and the third most admired woman in the United States. Governor Wallace, the wife of George C. Wallace who served the state as governor from 1963-66, served as a very gracious first lady for four years and was the first governor's wife to open the Executive Mansion to tourists seven days a week. She displayed her superior intelligence and ambition by graduating from Tuscaloosa County High School at the age of fifteen. The governmental ideas of Governor Lurleen Wallace will be a continuation of the ideals and purposes which were set forth by her husband's administration. Certainly Alabama can be proud of her newly elected governor and her nationwide fame!

DR. RALPH ADAMS

Message From The President:

You have come to Troy State to further your education—to increase your knowledge of man, the world and the universe, and their past, present, and possible future; to develop some understanding of the problems of our time and other times; and to acquire the beginnings of wisdom. We, of the college's administration, faculty, and staff are constantly striving to provide you with the best possible means and facilities to promote this education of yours.

Of knowledge, Francis Bacon once wrote: "Knowledge is not a couch whereon to rest a searching and restless spirit; or a terrace for a wondering mind to walk up and down with a fair prospect; or a tower of state for a proud mind to raise itself upon; or a sort of commanding ground for strife and con-

tention; or a shop for profit and sale; but a rich storehouse for the glory of the Creator, and the relief of man's estate.

Of understanding, John Locke said: "The improvement of the understanding is for two ends; first, our own increase of knowledge; secondly, to enable us to deliver that knowledge to others."

And of wisdom, Plato remarked: "Perfect wisdom hath four parts, viz., wisdom, the principle of doing things aright; justice, the principle of doing things equally in public and private; fortitude, the principle of not flying danger, but meeting it; and temperance, the principle of subduing desires and living moderately."

The office of the President has a warm, friendly atmosphere which is enhanced by the presence of Mrs. Martha Rose, the secretary to the President. For the past twenty-four years, Mrs. Rose has handled the duties of her position accurately and competently. Her work is important to the overall functioning of the President's office; yet she is always ready to talk with students in order to help them with problems or supply needed information.

Dr. Adams and Mrs. Rose check correspondence of the president's office.

President Adams faces the college's major problems with fortitude.

Mrs. Rose has dedicated many years to serving Troy State College.

President Adams Brings Dynamic College Growth

Dr. Ralph Adams, who has been a dynamic force on the campus since his arrival in October, 1964, is known and respected by all the students. After receiving his AB degree from Birmingham-Southern and his LLB degree from the University of Alabama, he received an Honorary Doctorate from the University in August, 1965. His continuing efforts to make Troy State one of the best colleges in the State of Alabama have caused progress and achievement to be inevitable. The environment at Troy State has been enriched both academically and socially by the many projects which have been initiated by Dr. Adams. Troy State College is definitely grateful for its fine President.

One of President Adams' many ambitions is to know each student at TSC personally.

President Adams' thoughts are always for the development of Troy State's college program.

Dr. and Mrs. Adams keep the doors of the President's Mansion open at all times to any student.

Dr. Adams looks over a list of suggested improvements for the beautification of the campus.

Dean Boyd is dedicated to keeping a comprehensive program of instruction functioning smoothly at TSC.

Dean Boyd Serves 21 Years Here

These turkish pottery fragments and art work represent some of Dean Boyd's many interests.

After earning his B.S. degree from Western Kentucky State Teachers College, and his M.A. and Ph.D. degrees from the University of Kentucky, Dr. G. L. Boyd was added to the faculty as Academic Dean of Troy State College. During his twenty-one years of service to this institution, Dean Boyd has watched the enrollment increase and general curriculum of the college improve. The promotion and upgrading of the instructional and academic standards of the college have been important aspects of his work here and have helped to make the college program what it is today.

Well Rounded College Needs Varied Programs

Mr. Roy Jeffcoat, the Director of Special Services, maintains good alumni relations and supervises the extension centers operated by the college. Dr. R. C. Kennedy, the Director of Student Employment and Public Relations, keeps the general public informed of the events that occur at TSC, as well as finding employment for the students who need financial assistance in order to complete their college careers. Dr. William Clipson, newly appointed to the position of Assistant Dean, is in charge of the Developing Institution Program, the Contracts and Grants Program, and the Institutional Research Program which will begin after the termination of the Self-Evaluation project.

Mr. Roy Jeffcoat discusses the tentative schedule of Homecoming activities with his secretary.

Dr. William Clipson's efforts to improve academics at Troy State know no bounds.

Dr. R. C. Kennedy prepares a news release for newspapers in circulation throughout the state.

Dean Gibbs' Work Involves All Students

The Dean of Students, Miss Annette Gibbs, is responsible for all areas of college life as they relate to the general operation of a growing campus. Miss Gibbs received her B.S. degree from Florence State College and her internship and M.A. degree from Ohio University and became a member of Troy State College's administrative staff in 1962. In 1965, she was appointed Dean of Students and has served as an important link between faculty, students, and administration since that time.

Her ready smile and effervescent personality make the office of student personnel one of the most vital offices on the campus. Troy State has become one of the best state colleges in Alabama through her untiring efforts and interest in the growth and improvement of all the academic and social standards.

Lanier Vines makes every student's counseling and vocational problems his own.

Her many duties as Dean of Women and Social Director leave only occasional moments to relax for Dean Ann Harmon.

Administrators Provide Many Student Services

Mr. Donald Gibson, the newly appointed director of Student Affairs, helps students with their financial problems and suggests appropriate means of securing financial aid. He is also the sponsor of the SGA and works with the officers in order to promote the college ideals. The responsibility for counseling and disciplining women students and for supervising the women's residence halls lies in the hands of Mrs. Ann Harmon, Dean of Women. She is always ready to help students with their problems and makes a person feel welcome in her office. The Director of Guidance Services, Mr. F. L. Vines, is helping to institute a better method of registration, is working on revising the college catalogue so that students will know more about TSC before applying for admission, and is responsible for administering the college testing program. Mr. Robert Williford, Dean of Men, is responsible for the discipline of male students and the supervision of men's dormitories. He is constantly working for better relations between the students and the administration.

Director of Student Activities. Donald J. Gibson, always has a ready smile for the many students who need his advice.

Dedicated to the difficult task he is called to perform, Dean Robert Williford is 100 per cent behind improvements for students.

Health Center Always A Busy Place

NURSES: Ann Dunn, Judy Cary, Sybil Dubose

The Mary E. Rich Health Center, located in Hamil Hall, exercises some of the newest methods of caring for those who are ill. The Health Center is open 24 hours a day and there is a registered nurse on duty at all times to see that students get the proper care. The infirmary contains 18 beds which enable those who need special attention and care to be under the constant supervision of Mrs. James Reynolds, head nurse, and the other members of the well trained staff.

HEAD NURSE: Mrs. James Reynolds

Placement Office Locates Jobs for Many

Mrs. Ervin Teal, Placement Assistant, does an excellent job of counseling with graduates in order to secure worthwhile positions for them. The Placement Office, although designed to find jobs for graduates, is open to all students and handles materials and applications for summer and temporary jobs which can be found throughout the United States. Many prospective employers visit the campus and work with the Placement Office to set up interviews for students interested in learning about the opportunities associated with the organizations represented.

Mrs. Ervin Teal pauses while arranging interviews for graduating seniors.

Stabler Heads College Financial Activities

Mr. Clay Stabler, the Business Manager of the college, is the supervisor of all the financial areas of the school. He came to Troy State College in 1956, and since that time has stayed constantly informed of the expenditures and financial status of the business office, general services, maintenance department, cafeterias, bookstore, and student center. Under his direction, the complicated supervision and disbursement of the funds of the college has become a smoothly operating process.

The Assistant Business Manager, Mr. Robert Wakefield, aids in the functioning of the Business Office through the handling of purchasing, payrolls, and student accounts.

Mr. Stabler capably handles all the college's financial dealings.

The business office is one of the busiest places on campus.

Mr. Wakefield solves many a student's financial difficulties.

New Registrar is Real Record Keeper

Mr. Jeff McClain checks over the list of those seeking admission to this institution and those withdrawing for various reasons.

The Registrar's Office, which is the hub of activity around TSC, handles all student records, is in charge of handling retentions, and performs all duties connected with admission to the college program.

The Dean of Admissions and Registrar, Mr. Jeff McClain, supervises the operation of the Registrar's Office and can be found at any time during the day doing some task that will keep this campus department running smoothly. The Assistant Dean of Admissions, Mr. Walter Sullivan, and the Associate Registrar, Mrs. Nell Gibson, are concerned with checking for admissions and records requirements for the entering student and for providing pertinent information concerning subjects which must be taken before graduation.

This Department, which is very vital to the overall operation of the college, certainly does a very efficient job.

Mr. Walter Sullivan checks the stated qualifications for admission on a prospective student.

All college records, grade slips, and current statistical information which are needed by the administration and students are compiled in the IBM Department, which is under the guidance of Mr. Jimmy Clark. Here Mr. Clark wires a board which will print valuable information to be sent to all departments.

Bickel and Staff See To Campus Maintenance

The purpose of the Department of Buildings and Grounds, which is under the supervision of Mr. O. W. Bickel, is the maintenance of all college facilities and the beautification of the campus grounds. Mr. Bickel who is indirectly in charge of all construction on campus has as his able assistant, Mr. Melton Carter, who is in charge of the supervision of all mechanical items. The residence halls for men and women are supervised by Mrs. Leigh Watkins who is also in charge of the janitorial and maid services.

The campus police help enforce the rules of the college through the aid of radio units which enable them to remain in contact with local authorities. One part time and four full time policemen are on duty to keep the college students safe and the grounds secure.

Looking over plans for the construction of new library on campus is Mr. O. W. Bickel.

Mrs. Leigh Watkins is instrumental in the acquisition of dormitory furnishings for student use.

Mr. Melton Carter orders materials for the maintenance of campus facilities.

Officers Frank Hurley, Morris Tew, Linthus McVay, and J. P. Jinright chat before beginning their daily routine of supervising traffic regulations on the campus.

All Dorm Students Eat in College Cafeterias

Mrs. Martha Ward is constantly swamped with dining hall problems.

The college dining halls, which are under the supervision of Mrs. Martha Ward, are constantly striving for improvements that will benefit the students and make their stay at Troy State more enjoyable. The long-awaited opening of the new dining hall, which was constructed near Alumni Hall, made the problem of standing in long lines at meal time unnecessary. The staff members, who are assisted by well-trained supervisors, strive to serve the best food available. This staff, which is composed partly of students from Troy State, employs more student workers than any other department on the campus.

Staff members, Mrs. Cathey Talley, Mrs. Sarah Jones, Mrs. Danny Moore, Mrs. Alene Floyd, Mrs. Lera Phelps, Mrs. Margaret Barron, are a very important part of everyday dining hall life.

Head Supervisors are Mrs. Sarah Jones, Mrs. Lera Phelps, and Mrs. Sarah Berry.

Mrs. Wease Rose distributes the mail for anxious students.

Mrs. Entys Clements, Mrs. Maggie Kyzar, and Mrs. Dot Starling, Bookstore manager, examine one of the many new books in the well stocked bookstore.

Student Center Services Used By All Students

Three facilities which are patronized by every student on the campus are the student center, post office, and bookstore. With these facilities, the students are able to secure needed supplies, food, and mail without added problems. The student center, which is alive with students at all times, is directed by Mrs. Mary Spencer and offers the best snacks available. The post office is necessary to all students who want to communicate with those not enrolled at Troy State and is under the supervision of Mrs. Wease Rose. Mrs. Dot Starling keeps the bookstore running smoothly and keeps all the necessary supplies available for students' needs.

Mrs. Spencer and her staff prepare and serve a well balanced meal each day.

The cheerful atmosphere of the student center is reflected in the faces of Mrs. Rachel Newman, Mrs. Pearl Johnson, and Mrs. Evelyn Price.

The Student Council of the Graduate Division of Troy State College is composed of Mrs. Nannette Smith, Troy, Treasurer; Mrs. Allyne Gibson, Troy, Vice-President; Johnny Oppert, Dothan, President; Miss Sylvia Jones, Enterprise, Secretary, Dr. W. P. Lewis, Director of Graduate Division; Mrs. Margaret Hollis, Brantley, Secondary Education; Ronnie Driver, Dozier, Administration; Mrs. Carolyn Gibson, Troy; Mrs. Betty Riddle, Troy, Elementary Education, and Mr. Fred Williamson, Pine Hill

Masters' Degree Plan Attracts Area Educators

Troy State's Graduate Program has grown considerably in prestige in the past few years and will continue to unfold because of other significant developments which are anticipated by Dr. Paul Lewis, Director. The academic requirement for enrolling in this post-graduate program of study is a 1.5 average in a 3.0 system or a 2.0 average for the last 45 quarters of undergraduate study; the student must also earn a satisfactory score on the GRE Aptitude Tests. An applicant who has an average of less than 2.25 for all completed graduate degree credits will be expected to earn a score of at least 400 on the GRE Verbal Ability Test or one of the advanced tests.

There are now 150 students enrolled in the on-campus division, the Fort Rucker Center, and the Maxwell-Gunter Center. A Master's Degree may be obtained in any of the following fields: Elementary Education, Secondary Education, School Administration, or Foundations of Education.

Individuality Encouraged In Art Department

Dr. Robert Paxson serves as director of the Art Department of Troy State College and helps to create more worthwhile instruction for those who seek a degree in this field. This department has enforced the

new policy of using the gallery for formal exhibitions. Many of the art courses are being revised and new ones are being added in order to promote individuality in this field.

Mrs. Jo Harvell and Mr. Brewton look over a painting to be hung in the art gallery.

Mr. Walter discusses the basic techniques of modern art.

Business Department Is

The loud clackety-clack of belabored typewriters and the industrious whirr of adding machines are outward manifestations of the inner acquisition of knowledge effected by the faculty of the Business Department. Striving to meet the unsatisfied demands for business teachers and personnel, the department under the direction of Dr. G. O. Stewart trains students in the techniques and principles of business and secretarial skills.

The Business Department is the largest department on campus, supporting an enrollment of 870 students or one-third of the student body. Graduates are qualified to study either the professional or teaching aspects of business.

This year saw three additions to the faculty. Phi Beta Lambda Fraternity was revived. Delta Sigma Pi, a professional business fraternity for men was organized at Troy State, and the Accounting Club continued to promote active participation. To improve the students grades, the faculty instituted labs for students in beginning accounting, which were supervised by students in advanced accounting classes.

Mr. Eugene Sherman became a full time teacher in the Business Department.

Discussing the changes in Business Department schedule are Mr. Manley Davidson, Miss Pauline Tranun, and Mr. Billy Walters.

Mr. Charles Carroll discusses an accounting problem with one of his students.

Aspiring Teachers Prepare

The Education and Psychology Department of Troy State College, headed by Dr. W. P. Lewis, is staffed with a faculty of carefully chosen, experienced, and well-trained instructors who attempt to meet the ever-increasing demand for top flight teachers.

This department prepares professional educators through the study of theories and their practical applications. The background, ideas and theories which are presented in formal classes are put into practice by student teachers at schools in the surrounding area. The climax of every education major's program comes when he puts what he has been taught into action under the careful eye of an experienced educator.

The Laboratory School, under the direction of Mrs. Foy Cummings, is a center of creativity where new ideas and instructional techniques are introduced on an experimental basis. The 183 students who are enrolled in this school receive the best instruction available from an experienced instructor and three student assistants who help with the individual instruction of each of the students. This school enables Troy State students enrolled in the education program to observe the best teaching techniques available.

New Frosh English Program Deemed Step Upward

Dr. Philip Wade: *English Department Head*

The steady improvement of the curriculum of the English, Speech, and Foreign Language Department can be attributed to the constant endeavors of Dr. Phillip Wade, Department Head. The department has initiated a better course of study for freshmen students with more emphasis on basic composition, grammar, and rhetoric, which are essentials for any person who is to exist in this dynamic era. The courses of study have been made stronger and more solid through the instruction of teachers of the highest caliber from many different geographic areas of the nation.

This department prepares any graduate to enter the teaching profession with greater confidence in his ability to present worthwhile information to his students through a greater abundance of knowledge in this field.

History Department

Dr. Leonard Trapp is the very capable Head of the History Department.

Today, we are more aware than ever of the truth of Pope's declaration that "The proper study of man is man." Since man is seeking, in our society more than ever before, to know as much as possible about himself, his origins his history and the structure of his society and because of the pre-eminent threats facing the democratic form of government under which we live, the role of the history major has become an increasingly important one.

A well-trained staff, the extensive resources of the nearby state capital at Montgomery, and many volumes in the college library are available to assist Dr. Leonard Trapp in offering history majors at Troy State a program designed to help them achieve competency in economics, geography, history, political science, and sociology.

Mr. John Lane and Mr. Lloyd Williams discuss class activities.

Dr. Brooks Thompson takes a breather during class.

Mr. Cloyd Paskins relaxing in the "liberal" environment of his home.

Mr. Grady Post compiles note for his very informative lecture.

Value of Mathematics Increasing Rapidly

Training pre-engineering students and math majors is the specific duty of the Math Department, headed by Mr. Virgil Collins. It must constantly meet the needs of present and future teachers of mathematics, giving the student the opportunity to learn this subject from the modern point of view. In this age of satellites and orbiting monkeys and humans, the value of mathematics is a rapidly increasing one and the role of the Math Department in our total college program will become increasingly important both in purpose and in practice.

Mr. Virgil Collins acts as the very capable head of the Math department.

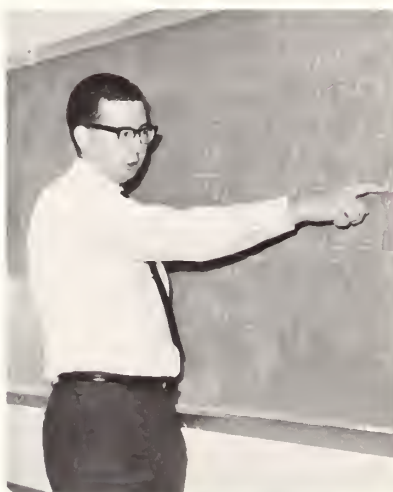

Mr. James Soles and Mr. Walter Rogers pause for a moment from their never ending task of grading papers.

Mr. James Ray and Mr. Charles Norris are shown "looking up the answer."

Mr. James O'Neal checks a possible text for his algebra classes.

Mr. Jerry Hattaway nears the end of a problem in algebra.

Mr. Luck Watford and Mr. John Lee add to the staff of freshmen Math instructors.

Music Majors Have Experiences in Many Areas

Of all of the departments on Troy State's campus, the Music Department under the direction of Dr. Charles Farmer has the greatest public exposure. Behind-the-footlight's activities include piano and organ recitals, voice recitals, string-lecture, demonstrations, and other public programs. The Collegiate Singers' Christmas tape has been presented for several years over the Mutual Broadcasting System, and this group, which is an important link in public relations, has been featured in concerts throughout the state.

Another important aspect of this department is the Red Wave Marching Band, frequently called the "Sound of the South", directed by Mr. Johnny Long. The band has participated in many parades, concerts, and shows, which has brought recognition not only for the Music department, but also for Troy State College.

Dr. Charles Farmer as head of Troy State Music Department has, for many years, directed the nationally renowned Collegiate Singers.

Dr. Conner and Mrs. Lyra Crapps add a wealth of talent to the music department.

Mrs. DiMichele, Mr. Tom Trobaugh, Mrs. Olivia Rainer and Mrs. Barr admire the new stereo set.

Mr. Douglass Davidson relates the finer techniques of tube playing.

Mr. Calkins finds a moment to catch up on his paper work.

Dr. Vollrath strikes a scholarly pose at the lecture stand.

Coach John Archer spends many anxious moments directing the Troy State cagers.

HPER Programs

Directed by Dr. Earl Watson, the Health Physical Education and Recreation Department of Troy State College is dedicated to the proposition that the mental processes are only a part of the total personality and that a healthy mind functions best in a healthy and well-developed body. Through the utilization of physical skills and practices, Dr. Watson and the faculty help to develop within the student attitudes that are essential to healthy living. This very generalized approach is founded in the interrelationship of mind and body and is designed to benefit the average student.

Coach Preston Griffin looks on as Dr. Watson enjoys his morning yogurt and wheat germ.

Mrs. Shirley Canaday's classes are enjoyed by all students.

Coach Max Howell considers the action of Troy's last football game.

One of the most recent additions to the staff of this department is Mrs. Emma Pettersen.

The classes which are under the supervision of Mrs. Van Watson receive the most modern instruction.

Dr. William Clipson presents an interesting lecture to his class.

Benefit All Students

One of the strong features of the department is the intramural program which involves literally hundreds of students—after-class and evening activities, such as basketball, swimming, tennis, volleyball, and other related sports. A highly specialized program is provided for those who wish to make a career in the field of health, physical education, and recreation.

Mrs. Patricia Allison and her students discuss basketball rules.

Miss Mary Estes compiles methods of teaching.

A familiar face around many women's P.E. classes is Mrs. Gracie Sauers.

Head Coach Billy Atkins explains the techniques involved in a new play to Assistant Coaches Billy Marsh and Phillip Creel.

Philosophy-Religion Department Added This Year

Dr. Carl Purinton's interesting lectures on the Holy Land and religious matters enable his students to better understand their subject matter.

The Philosophy classes are under the direction of Mr. Martin Kruskopf, who attended Birmingham Southern and received a Rhodes Scholarship in 1939. He has written articles for *Time* and *Life* Magazines and was an editorial writer for a Birmingham newspaper. The courses in Philosophy were initiated in order to show students what logic really is and to study the history of philosophical ideas. This new department is certainly an asset to the college program and will continue to grow in the future.

Mr. Martin Kruskopf gathers information from all available sources in order to interpret philosophical ideas and broaden the background of his students.

Mr. Orville Schomberg discusses Zen Buddhism with his colleagues Mr. James Brantley and Miss Laureson Forrester.

Department head, Dr. W. T. Wilks, stays up to date on latest science developments.

Wonders of Science Demand Constant Change

As man's struggle for survival on this earth has become more and more challenging, he has become increasingly aware of the importance of understanding the nature and composition of the universe in which he exists. The goals of the Science Department are to offer a degree in science for those preparing to be scientists or teachers, to offer a degree in Sanitary Science, to supply men and women with the skills and knowledge necessary to allow them to meet the challenge of this rapidly expanding frontier of man's wisdom, and to prepare them to make a worthwhile contribution to society.

A hectic schedule extends beyond the classroom for Dr. Edward Ward.

The opening of the new addition to McCall Hall for science classes this summer will be a long awaited climax for everyone at Troy State and will enable this department to continue its steady growth. This department under the direction of Dr. D. T. Wilks has requested a grant from the National Science Foundation which will be used to purchase equipment to help instruct interested students in the advanced courses offered. Courses in Marine Biology, which may be used as credits toward graduation, are now offered at Gulf Coast Research Laboratory, Ocean Springs, Mississippi.

Students wait anxiously as Mrs. Pearl Wilkes hands out a test.

Mr. W. P. McLaughlin lectures to his Freshman Bio-Social class.

Dr. Fred A. Schimmel ponders the merits of a new text.

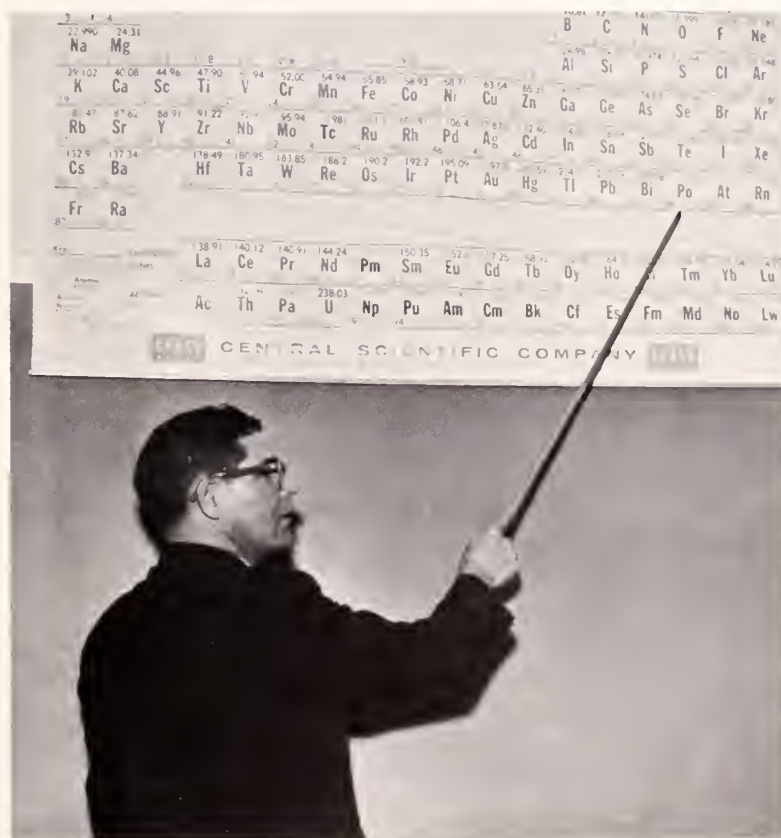

Mr. Wayne Adams (left) entertains his fellow instructor, Mr. W. T. Thornton.

Mr. Terrance Myers helps a student during lab session.

Dr. Billy Norman is well known for his good natured personality.

Mr. John Roberts demonstrates as he lectures to a chemistry class.

Mr. Edward Kantor and Dr. Sammy Ingram compare teaching methods.

Head Librarian, Mr. Kenneth Croslin, is readily acclaimed one of the busiest men on campus.

Mrs. Thehna Mershon checks the cards on an order of new books for the TSC Library.

Library Expansion

Attractive staff members Betty Joyce Parish, Mrs. Mary Hudson, Mrs. Juliana Dillard and Mrs. Pauline Williams browse through one of the many new books added to the library each month.

Clarence McCarthy Library houses many necessary materials which are readily accessible to TSC students and is supervised and directed by Mr. Kenneth Croslin. In this building one will find over 58,000 volumes which may be used for research, study, or leisure reading. There are many staff members who eagerly aid students in the use of the library and keep the library functioning properly at all times. The listening center which is vital to those interested in the field of music, contains various musical selections and many tapes pertaining to the various fields of study found here.

Mrs. Nina Swain checks all materials that leave the library.

Library office staff members Mrs. Perry M. Dalton, Mrs. Thomas A. Parnell, Mrs. Richard Rogers, Mrs. Henry Curtis, and Mrs. Gail Foster.

To Include New Building

The new \$1.8 million library which is to be constructed in the very near future will enhance the academic atmosphere of the college and will provide more areas for studying and a larger selection of material.

With the advent of the winter quarter, all duplicating services were moved into the new "Graphics" department of the library. An offset printing press was also purchased for this new department.

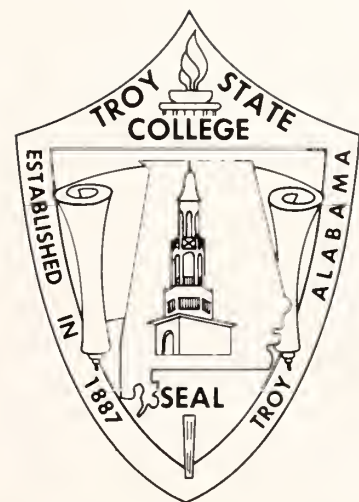

Miss Lucy White processes books before they go to the shelves.

Miss Ethel Sanders is always willing to lend a helping hand to students doing research projects.

PERSONALITIES

Carol Procter (center) and her attendants Miriam Howard, Jean Loftin, Becky Crockett, and Mary Ann Hartzog reign as 1966-67 Campus Beauties.

Judges Steve Neshem, Lorri Studios, Pensacola, Florida; Grace Huddleston, Montgomery, Alabama; and Jim Robbins, Taylor Pub. Co., Birmingham, Alabama; deliberate before choosing the Campus Beauty.

Carol Procter is crowned 1966-67 Campus Beauty.

Campus Beauty contestants, Ginger Payne and Betty Robinson, offer each other reassurance before the contest begins.

Thirty Lovelies Vied for Campus Beauty Title

Sponsored by the Palladium, the Annual Beauty Pageant proved to be a tremendous success this year. Approximately thirty candidates representing clubs and organizations all over the campus vied for the title Campus Beauty of 1967. As one of the highlights of the pre-Christmas season, decorations for the contest carried out the Yule-tide theme. As winner of the contest, Carole Proctor reigned over the festive Christmas Ball.

Entertainment for the event was provided by the Co-Eds singing group, including Judy Sawyer, Lib Hayes, and Connie Spivey, accompanied by Faye Allen. Also featured on the program was Maria Bigot singing selections from the Broadway musical, *THE SOUND OF MUSIC*, and Richard Snyder backed by the Wavemen.

Contestants nervously await the judges final decision.

Campus Beauty

Carole Proctor

Cowart Hall

As this year's Campus Beauty, Carole Proctor represented Troy State College in the state inaugural parade. Being musically inclined, this Sophomore English major participates in the band as a majorette, the Collegiate Singers, and was chosen as last year's Phi Mu Alpha Sweetheart. In addition to these activities, Carole still finds time to devote work in the Baptist Student Union. Her leisure time is taken up with swimming, twirling the baton, sewing, and reading poetry. She is now a member of Phi Mu sorority, and was a finalist in last year's Beauty Pageant.

Becky Crockett

Tropolitan

Having been chosen as a member of the Homecoming Court in both 1964 and 1965, Becky Crockett is no newcomer to the circle of beauties on the TSC campus. This lovely member of Kappa Delta sorority has been chosen as Alumni Hall "A" Sweetheart, Pace Hall Sweetheart, and was last year's Theta Chi fraternity Sweetheart. This beauty, sponsored by the *Tropolitan*, is a junior, majoring in Business Administration. When able to find time in her busy schedule, she works as a staff member of the *Palladium*.

Sororities Work Together in Panhellenic Group

Under the direction of Panhellenic Dean, Ann Harmon, the Women's Panhellenic Association strives to promote friendly relations among sororities on campus. The purpose of this group is to further intellectual accomplishment and scholarship, maintain high social standards and compile the rules governing rushing, pledging and initiation.

During the fall quarter, the organization sponsored the panhellenic Open House to acquaint all girls on campus with the sorority system.

Through the combined efforts of the Inter-Fraternity Council and the Panhellenic Association, this year's Greek Week activities proved to be the best yet.

Inter-Fraternity Council Solves Greek Problems

The Inter-Fraternity Council serves as the governing body for fraternity activities at Troy State College. Its purpose is to develop good will and cooperation between the various fraternities and to act as a deliberative body for solving fraternity problems.

The council consists of the president and a representative from each fraternity.

OFFICERS: John White, President; Bob Wingard, Secretary-Treasurer.

Dean Robert Williford, Inter-Fraternity Council Advisor.

Alpha Delta Pi

Alpha Delta Pi became the first secret society in the world for college women, and the mother of the entire sorority system. Epsilon Kappa Chapter of Alpha Delta Pi began in the fall of 1966, when seven girls organized a local sorority and applied for chapter to Alpha Delta Pi sorority. The charter was granted and on January 28, 1967, became the 115th chapter.

Many honors have come to Alpha Delta Pi in its months as a colony and installed chapter. Some of the honors are Pi Kappa Phi Pledge Sweetheart, Accounting Club Sweetheart, one of Who's Who in American Colleges and Universities, two Spires, four cheerleaders, Clements Hall Sweetheart, four dormitory officers, Homecoming Queen, one Aldelpe, one dormitory Senator, Vice-President of Kappa Delta Pi, two members in SNEA, and winner of the U.M.O.C. trophy for their winning candidate. In addition, Alpha Delta Pi has actively participated in other clubs and activities on campus.

President Nancy Merriwether receives charter from National President, Miss Maxine Blake.

Kappa Delta

Kappa Delta's preferential party, which was held at the Troy Country Club, was a source of inspiration to both members and rushees.

The idea of forming a chapter of Kappa Delta on the Troy State campus had its beginning in Spring of 1965. In July of the same year what had once been a dream became a reality, and Delta Delta found its place as the 105th chapter of the vast sisterhood of Kappa Delta. On January 15, 1967, Delta Delta celebrated its first anniversary as an official Kappa Delta Chapter.

Delta Delta Chapter started the 1966-67 year off with rush in the Fall, and pledged fourteen girls. Rush was a pleasure for it offered the members a chance to meet many of the new girls on our campus, and the new chapter room added to the fun and fellowship shared by rushees and Kappa Delta Members alike.

The philanthropic projects this year have included helping to give a Christmas party for a group of children at the Alabama Baptist Children's Home and taking some needed articles to the McInnis Road School for the Handicapped in Montgomery. Open houses, teas, pledge swaps with campus fraternities and attending a Bridal Fashion Show in Montgomery have been highlights of the social events of the year.

Many of the Kappa Delta members have distinguished themselves this year in campus activities. Besides having members in almost every campus organization, they have acquired several outstanding honors. These include President of the Woman's Executive Council, SGA Clerk and Secretary, Delta Chi Pledge Sweetheart, Alumni Hall Sweetheart, Miss TSC, Basketball Queen, and Best Dressed Girl.

The White Rose of Kappa Delta, which stands for the purity and beauty of the purposes of the sorority, encourages its members to strive to be more outstanding in all phases of life.

Sybil Chapman, Suzanne Johnston, Sandra Ballentine, Lyn Johnston, Jane Johnson, Donna Jacobs

Phi Mu Sorority, the first Greek Organization for women to get its charter on the Troy State College campus, has had many accomplishments in its first year. Not only have these been in the field of beauty but in scholarship as well.

Out of the four fraternities on campus Phi Mu claims the sweethearts of all four with Sharla Lee, Theta Chi; Jean Loftin, Delta Chi; Linda Morrow, Pi Kappa Phi; and Ann Hawkins, Tau Kappa Epsilon.

Phi Mu has several Campus beauties. Carole Proctor reigns as *the* Campus Beauty with Jean Loftin as runner-up. Vicki Griggs was chosen as Best-Dressed Girl on campus with Sharla Lee and Margaret Mussleman being in the top five best dressed girls.

Last year during the first Greek Week on Troy's campus, Phi Mu received the honor of winning the first place trophy for having the most points accumulated during the sorority competition events. Linda Morrow was selected from twelve Greek Goddesses to reign as "Miss Venus" over the festivities. Cheryl Clark was second runner-up with other Greek Goddesses including Sharla Lee and Jean Loftin.

The Annual UMOG contest of 1966 was won by Phi Mu's candidate, Billy Gamble.

During Homecoming of this year, Phi Mu had the number one float among the sororities featuring the oriental theme "Sayonara Demons." Linda Morrow was in the Homecoming Court.

Linda Green, a sophomore, was voted to be in the Basketball Court.

In the field of scholarship, Phi Mu had four girls to be nominated for Who's Who Among Students in American Colleges and Universities.

Delta Chi

Delta Chi is the senior social fraternity at Troy State College. The charter was granted April 2, 1966, making it the first national social fraternity on campus. The fraternity is first dedicated to the college and second to itself. The brothers of Delta Chi had the highest overall grade point average of any dorm, club, or fraternity for the entire school year of 1965-66 and for this won an academic trophy.

Delta Chi strives toward developing a well-rounded individual who contributes to all phases of campus life and who will continue to be an outstanding citizen.

The brothers take pride in campus leadership and participation in a variety of activities with the main objective being the betterment of TSC by contributing to its growth and development.

A few of the many achievements include: first place Homecoming float for the past two years; President, IFC; Treasurer, Student Government Association; Senator-at-Large, Student Government Association; Runner-up, Mr. TSC; Class Favorites; Senators, Student Government Association; Supreme Court Members; President, Sophomore Class; President and Vice-President, Freshman Class; Sorority Teas; and Pledge Swaps. The Delta Chi brothers are active in most clubs and organizations.

Wherever one finds campus leadership, he will find a Delta Chi.

Would you believe a hanging platform for pledges? How about the homecoming float?

Pi Kappa Phi

The year has been an eventful one socially for Pi Kapps. Being termed the "Pi Kappa Partiers," they can boast of as many social functions as any other two fraternities on campus.

Besides their fabulous rush parties, some of their major parties were the joint Theta Chi party, the Founders Day Ball, the Jungle Party, and the Rose Ball formal.

The year also saw the Pi Kapps reap many honors, including the following: Sponsored winner of the Miss Venus contest Spring 1966; first place tie, Greek Week, Spring 1966, Spring Sports Trophy; first place; Intramural football; first place; Fraternity football, first place; Fraternity handball, first place, Fraternity basketball, Winner of Winter Sports Trophy; eleven members in varsity athletics; Mr. TSC, four brothers in UMOG contest; member in Who's Who Among American Colleges and Universities; President of the Senior Class; Vice-President of the Senior Class; President of SNEA; Justice SGA Supreme Court; Senior Class Favorite; Secretary-Treasurer of IFC; Two brothers SGA Senators; past President of the SGA; nine brothers chosen as Argonauts, President Vice-President, and Secretary of Clements Hall, President of Alumni Hall Wing B.

Tau Kappa Epsilon

This year proved to be a highly successful one for the TEKES of Troy. The fall quarter accomplishments included winning the first place trophy in the Red Cross Blood Drive, second place float in the Homecoming parade and maintaining an Information Service for new freshmen students. The fall quarter saw six new members added to the active roster.

The winter quarter's activities were highlighted by the activation of the group's new fraternity house. A tremendous service to the student body was the publication and distribution of the TEKE Student Directory. The winter quarter open rush party was a great success with music provided by Louis Moffitt and the Invaders. The quarter's activities were climaxed when the TEKES and Delta Chi's merged for a weekend of fun and festivities which proved an important step toward Inter-Fraternal unity.

Theta Chis celebrate paddle ceremony

Theta Chi wins first place and was presented the Greek Week Trophy.

Theta Chi

The newly chartered Zeta Theta chapter of Theta Chi at Troy State College has struggled hard during its infancy to achieve the high ideals set by the National Fraternity. It had the first Fraternity House at Troy where young men could live together in a true brotherhood. This is a big white house on South Brundidge Street and is often referred to as the "OX" house because of the large Greek letters on the front.

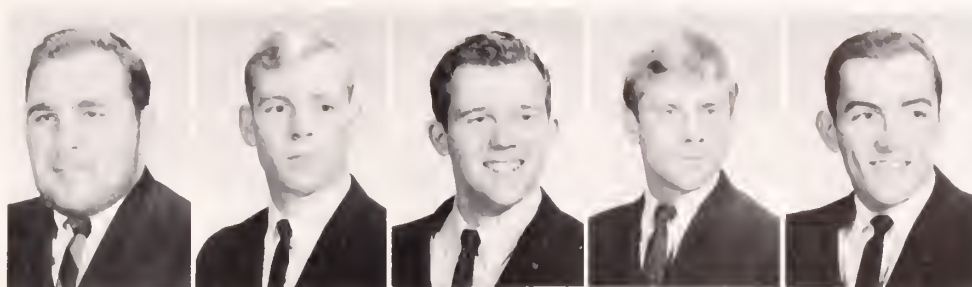

Theta Chi has an annual Dream Girl Ball in the spring that is really "swank." That night we crown a charming young lady, such as our present Miss Sharla Lee, as the "Dream Girl of Theta Chi." We are known in all intramural functions. We promote college spirit. We help charitable organizations through our annual car smash. We support the faculty of the college through an annual free car wash just for them.

The past year has been a very profitable for Theta Chi. We tied for first place in the Greek Week events and earned the Fraternity grade trophy twice. We have placed men in almost all the high offices on campus in social activities and student affairs. Our membership includes many class officers and even the Vice-President of the S.G.A.

To be a Theta Chi is to be a part of fifty-five thousand Brothers all over the world, that would go out of their way to help you. To develop the "real you" to the fullest extent. It's not hard to see why being a Theta Chi is such an honor and a privilege.

Troy State's Greek Activities Vary Widely

This year proved to be a memorable one in the Greek circles at Troy State College. Highlights of the year included the activation of the TEKE house, Alpha Delta Pi was founded, all groups added to the success of the homecoming festivities, Greek Week plans were made, and membership showed a substantial increase over last year.

ORGANIZATIONS

Honor, Service, Guidance Symbolize Adelphees

This year's Adelphe group continued their tradition of aiding freshman women students and orienting them to campus life. They took an active part in homecoming festivities by providing the material and effort in decorating for the formal homecoming dance. Outstanding among the activities of the year was the organization's presentation of a skit at Christmas time for the girls of Shackelford Hall. In all aspects of the groups activities this year, they upheld the ideals symbolic in their key, signifying honor, service, and guidance.

Argonauts Provide Freshman Counsel

The Argonauts honorary service organization for men has proved a boon to the past progressive year at TSC. The club has worked hard trying to make TSC a better institution of education. This year the members helped with Homecoming preparations and was of great assistance in the Rat Week activities. Throughout the year the members aided the freshman men with their counseling service in all men's dorms. Under the guidance of President Gil Dominguez, the club boasts a membership of twenty-seven active members.

The Women's Gavel Club, an affiliate of Toastmaster's International, began in 1962, under the sponsorship of Mrs. William Clipson. The club has been very active for the past five years in helping its members become accustomed to speaking before a group. The group has been quite active in social functions on campus, sponsoring a social event at least once a year. The club always has a car in the homecoming parade and in the college Appreciation Day parade.

The Club meets twice monthly. At each club meeting, speeches are given; usually four to five prepared speeches by members of the Club. Constructive criticism is given after all the speeches are given. Most members say that it has helped them in public speaking more than any other organization on the campus.

Religious Council Works for All Church Groups

Jimmy Parker, Howard Schack, Suzanne Williford, Jamie Blackman, Teresa Clark, Jo Blount, Earl Allred, Ronnie Stafford

Working as a coordinator between local churches and students on campus, the Religious Council is of vital importance in enriching the religious life at Troy State. For the first time this year, the group sponsored a Religious Emphasis Week, which proved an inspiring experience for all. The Council strives to bring about closer relationship between students of all denominations. Advisor for the group is Mrs. Ralph Adams.

Westminster Fellowship Serves Presbyterians

Sponsored by the First Presbyterian Church of Troy, the Westminster Fellowship has been a fine inspiration to many TSC students. This organization offers Christian fellowship to all college students of all denominations. Meeting on Sunday nights, the organization provides a light supper followed by discussion groups.

The Baptist Student Union is a collegiate organization of Southern Baptists. It is designed to provide spiritual leadership and fellowship to all students.

Most of the activities are held in the Baptist Student Center located just behind the college student center. It is open every day and night with facilities including a game room, library, chapel, prayer room, kitchen, and lounge. The center offers a place for recreation, inspiration, or relaxation.

Services and activities include Vespers every Monday and Thursday evening at 6:30 p.m., featuring a special program designed for college students; discussion every Friday evening; Mission activities; Young Woman's Auxiliary and Young Men's Fellowship activities.

Another major activity of the Baptist Student Union is its summer missions program which sent 17 Troy State College students to various parts of this country and to Thailand this past summer.

The five Baptist Churches of Troy in cooperation with Alabama Baptist State Convention employ a full-time director, Dr. Ammerman, who serves as director of the center and of the Baptist Student Union activities. The director administers the entire program as well as serving as a counselor to students.

BILLY ATKINS
Head Coach

Head Coach Billy Atkins came to Troy State after a year at Jordan High School in Columbus, Georgia. A graduate of Auburn University, Coach Atkins was voted the Most Valuable Player on the 1957 National Championship Team and holds the all time scoring record of 82 points. He was named to the 1961 All-Pro AFL team while playing with the Buffalo Bills. During this period he led the team and league in punting and pass interceptions, and played in the AFL All-Star Game.

Line Coach Bill Marsh joined the Red Wave in 1966. Coach Marsh graduated from Howard College in 1957 and now holds a Master's Degree from the Univ. of Ala. His coaching career includes positions at Trussville High School, Fla. State Univ., West End High School, and the Univ. of Tampa.

Defensive Backfield Coach Phillip Creel is a native of Dothan, Alabama and is a graduate of Auburn Univ. Formerly a member of Coach Atkins' staff at Jordan High School, he adds another part to the Red Wave's winning combination.

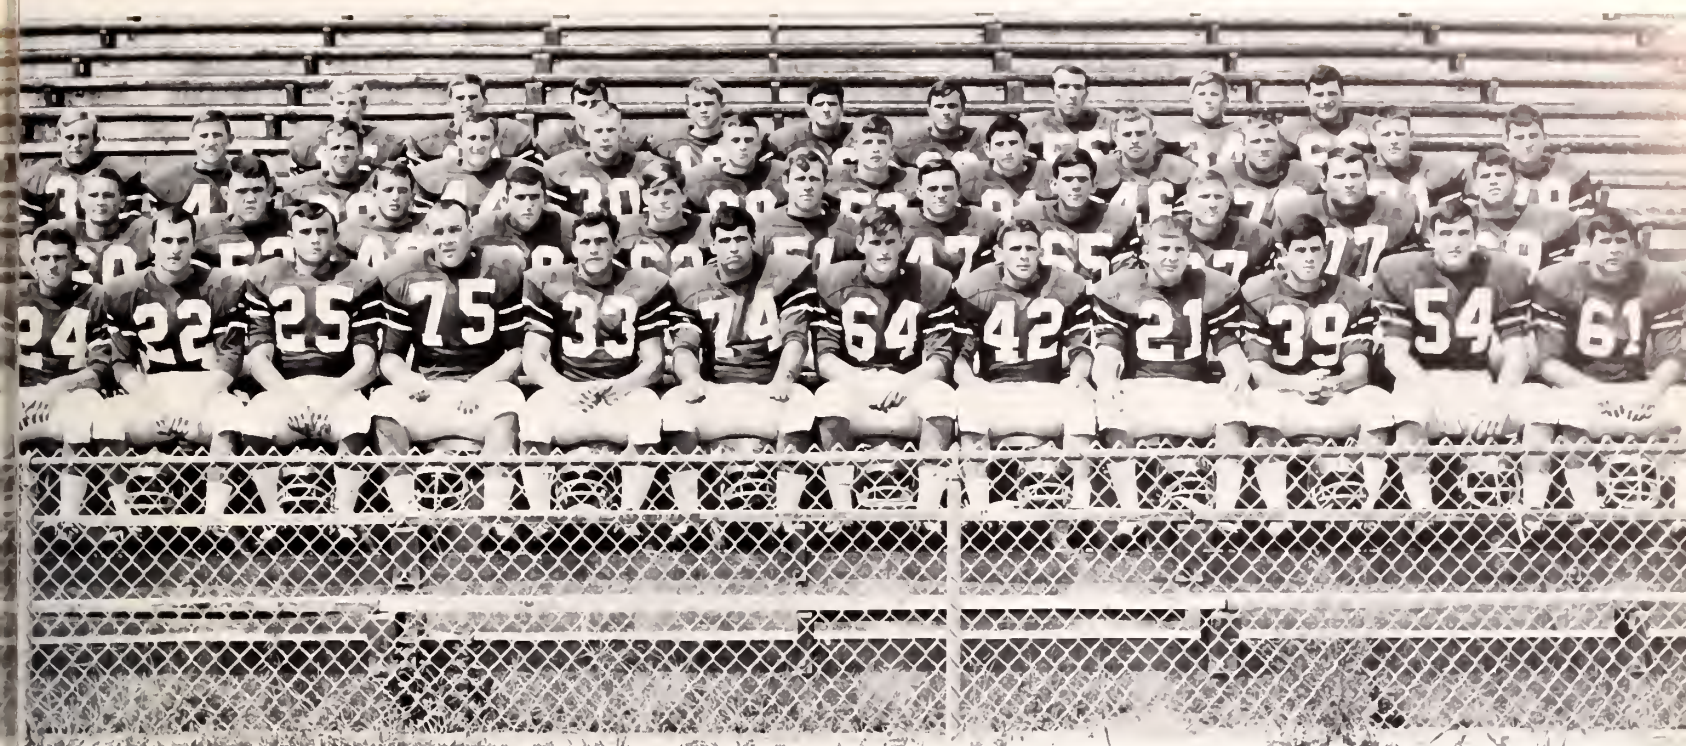

Assistant Line Coach Max Howell set an impressive high school record as All-Conference and All-State Guard at Autauga Co. High School in 1958. He was ranked All-Conference in 1961 as a TSC gridder. Before joining the staff at TSC, he served as Coach at Carroll High School in Ozark and Bay County High School in Panama City, Florida.

Atkins Rebuilds Red Wave For 5-5 Tally

MAX HOWELL
Assistant Line Coach

The 1966 football season started and ended in victory. It was a year of thrills, happiness, gloom, frustration, and disappointment, and elation for Coach Billy Atkins and his staff. At kick-off time for the Gordon game and the start of a new coaching career for Coach Atkins, there was a big question on the minds of Troy fans as for prospects in '66. Inexperience was the name of the game, with only six returning lettermen. All doubts and fears were wiped away after the Wave rolled for a 48-7 opening victory. After ten weeks of football, the new coaching staff handed the fans a 5 and 5 season. Whether following victory or defeat, each succeeding game was faced with the same winning desire and spirit.

Outstanding senior for the year is Dwight Faulk, who, along with classmate Bennie Rex Johnson will be missed for their leadership and drive next year. With the loss of only these two seniors, the prospects look great for Quarterback Byrd and Company in '67.

Injured early in the game, halfback Andy White awaits the diagnosis of seriousness.

Gridders Show New Style in Season Opener

A referee, caught in the action, ducks to avoid the oncoming collision with Troy halfback J. Sullivan.

Victory, which came to the Troy State gridders only once the entire campaign of '65, came in a most memorable fashion against the undermanned Gordon Military College. On the passing of sophomore quarterback Sim Byrd and the receiving of freshman flanker-back, Danny Grant, who was on the receiving end of four touchdown tosses from Byrd, the Red Wave humbled Gordon. Troy's opening night ended with a victorious score of 48-7.

J. A. Williams turns the corner with help from pulling guard and an unidentified Wave blocker.

Wave Falls To Bulldogs 14-13

On a rain-soaked field in hostile territory, the Red Wave let what they hoped would be victory number two slip by in a 14-13 thriller to Samford Univ. Troy State, though outweighed 20 pounds per man, let their opponents know they were ready to play football. The passing of Sim Byrd, running of Jeff Cotton, receiving of Danny Grant and kicking of Danny Moore contributed to the Red Wave offense.

The Mighty Wave struck first on a 50 yard run by Cotton. When the Red Wave drive gave out of gas on the 15 yard line, Danny Moore came in to make it 3-0 on a 25 yard field goal. Samford came roaring back to make it 7-3. A 45 yard Byrd to Grant pass led to 7 points. Another Moore field goal late in the second quarter made it 13-7 at half time. In the fourth quarter Samford put it on ice 14-13. The defensive team made a gallant showing against overwhelming odds. The statistics belonged to Troy State but . . .

After the 18-7 romp over Gordon the pep rally cries were, "Burn the Bulldogs."

J. A. Williams is alone but running as the entire Samford team finally gangs up on him after a long gain.

Danny Moore breaks the ice with a perfect field goal early in the second quarter. Moore added another field goal and an extra point for a total of seven points and high scoring honors for the game.

Picking his way through the maze of fallen defenders, Jeff Cotton sets up Bobby Floyd for a block.

Through the excellent blocking efforts of Danny Grant, Frank Elmore turns upfield untouched.

Sweet Victory: Tigers Toppled, 37-28

Quick, on-the-spot repairs are the specialty of the managers and trainers. Here trainer Billy Morrison makes an adjustment in Paul Brinsfield's equipment.

Coming back strong in the second half was the story of the Troy State-Livingston State game. Under clear skies, the Red Wave started out slowly, but was matched by an equally slow Tiger squad. Nearing the end of the first half, Troy's offensive team started moving the ball, but could not stay in gear long enough to raise the score. The second half showed drastic changes, but the Livingston team also moved the ball successfully. In the resultant offensive duel, the Troy State eleven proved to be the stronger, ending 37-28.

Pouring on the speed, halfback Frank Watts leaves Livingston defenders eating his dust.

Underdog Wavers Blast Arkansas State, 41-7

Arkansas State Teachers College came to Troy with a team that was a three-touchdown favorite over the Red Wave, but Coach Billy Atkins' men had other ideas. When the dust settled, after 60 minutes of football, Troy State had surprised the pigskin world with a amazing 41-7 win under their belts.

The scene is mass confusion as Wave blockers try to open a hole for an unidentified back.

Taking a brief breather on the sidelines, Don Hatcher watches the action.

David Cooper fights off a block, linebacker Jim Gillespie moves in for the kill.

Delta Dumped in Pro-Style Finish, 20-16

Reflecting the exhausting pace, tackle Terry Watson sits one out to rest.

A tough Delta State team, from Mississippi, came into the football happy state of Alabama to take on the fast-coming Red Wave. This game is considered the highpoint of the 1966 season, as the Red Wave sent the Statesmen back to the hump-back state licking the wounds of a 20-16 upset victory at the hands of TSC's gridders. This win gave Troy a three game winning streak and the football picture never looked brighter. The squad boasted a 4-1 record and was ranked 10th in the nation in total offense by the NCAA, with an average of 423.5-yards of real-estate per game.

Danny Grant takes out a defensive man giving half-back Jeff Cotton a clear path to yardage.

Before the game, a moment of silence and some last-minute instructions from head coach Billy Atkins.

The Troy State College Red Wave lost to Jacksonville State College 27-6 in a game played under adverse weather conditions. It rained intermittently all day and continued throughout the game. The Gamecocks broke the Red Wave's back rapidly, as they ran the opening kickoff back 100 yards for a touchdown. Troy was never able to recover. Troy State scored in the second quarter when Jeff Cotton went around left end from the one foot mark. Moore's PAT was blocked. The score at halftime was 20-6.

There was a big battle of the bands as Johnny Long's Sound of the South met the Jax State band. The Troy State bandsmen put on their usual fantastic halftime performance.

Neither team scored in the third quarter. Jax State added another score in the fourth quarter. Final score: Jacksonville State College 27—Troy State College 6.

Rain, rain, rain and the band played on!

Red Wave Falls To Lions 35-34

A thrilling fourth quarter effort was not enough, as Troy State dropped a 35-34 decision to Florence State. With a minute left in the game, the Wave elected to win, rather than a sure tie. The two point conversion failed. The first quarter was a see-saw battle. Jeff Cotton plunged over for the Wave to make it 6-0. The attempted extra point failed. Florence came roaring back and at halftime led 21-6.

The Red Wave came on strong in the second half. Cotton added another score and Frank Watts scored on a two point conversion. The Wave still had a lot of catching up to do, being behind 35-14 at the end of the third quarter. In the fourth quarter Troy ran wild, scoring on a 6 yard Byrd to Grant pass. Troy added two points on a Byrd to Ron Helton pass play. Cotton then scored his third touchdown of the day on a 5 yard run. The two point conversion failed. With only seconds remaining, Frank Watts picked up three yards and 6 points to set the stage for the win or lose conversion attempt.

Red Wave Clipped 14-7 In Homecoming Loss

An enthusiastic crowd of 10,000 watched the Red Wave put up a gallant fight against Northwestern Louisiana, before falling to the Demons, 14-7. The following week, the Demons were picked as the number one small college team in the nation. Jeff Cotten scored the only Red Wave touchdown, and was the top rusher in the contest.

Facing a tough blitz, Byrd tosses another pass at the last minute.

Troy Drops Fourth In A Row To UTMB

The Troy State Red Wave dropped number 5, the fourth in a row to the Volunteers of the University of Tennessee, Martin Branch. The score was 30-7. To say it wasn't Troy State's day might be an understatement. The Volunteers picked up four touchdowns and a safety.

Quarterback Sim Byrd connected with end Jimmy Hendrix for 10 yards and then put the Red Wave on the scoreboard with a 9 yard pass to half-back Danny Grant late in the fourth quarter. Danny Moore kicked the extra point. The Red Wave now had a 4-5 record and had high hopes of rebounding into a break even season.

Final Game Ends With Fifth Win

After four losses in a row, a long trip and another homecoming; the Wave broke the spell on the passing of Sim Byrd, the receiving of Jimmy Hedrick and the toe of Danny Moore. Coach Billy Atkins' gridders dominated the first quarter and scored on a 12 yard Byrd to Hedrick pass. Moore added the extra point. Later in the second quarter another Troy drive bogged down and Moore was called on to boot a 25 yard field goal. Moore's attempt was good and at the half the Wave led 10-0.

Louisiana came roaring back after the half and notched a 7 point T.D. Late in the third quarter Byrd and Hedrick combined their talents to add another score. The Troy State defense had to dig in and hold off a Louisiana College comeback. Jim Kirby played an outstanding defensive game and picked up a key interception in the fourth quarter. The Wave ran out the clock to give them a 16-7 victory over the Wildcats and a 5-5 mark for the season. Not bad for a team that included 26 freshmen and 10 sophomores out of a total of 45 players.

Defensive stars, Jim Kirby and Dwight Faulk, stop Louisiana College halfback for no gain.

Basketball

Coach Archer's Three Seniors Pace Troy

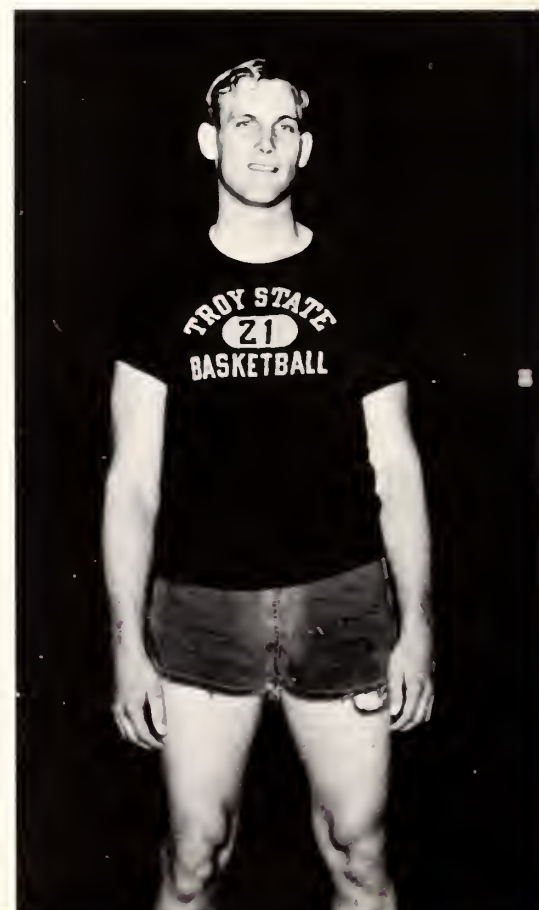

In his eleven years as head basketball mentor at Troy State College, Coach John Arthur Archer has compiled one of the most enviable records in organized basketball. He was well over the 235 mark in total number of victories by the end of the 1966-67 season. This was Coach Archer's eleventh and Troy's fifteenth straight winning season. Just one more feather in his cap is the fact that this is the sixth consecutive year Coach Archer's teams have won 20 or more games in a single season.

Assistant Coach Jake Popham is an old hand on the Sartain basketball court. Coach Popham played outstanding ball for Troy in his junior and senior years. As assistant coach, he has taken over all duties as far as freshman basketball is concerned. 1966-67 saw his team play their first regularly scheduled season to a 5-3 record.

Basketball Team Is Nationally Ranked

The 1966-67 edition of the Red Wave Basketball Team was a typical success. In fact, it outdid itself. At different times, the Trojan cagers were ranked nationally; once 20th and once 14th. This was the first time a Troy team has made the national check sheets.

The Wave's starting five were taller and faster this year. This was offset, somewhat, by a weaker bench. By not going to the bench as often as in years past, Coach Archer worked his first quint to many impressive and resounding victories.

Troy won the unofficial title of Alabama Small College Champion in the 1966-67 season. For the first time, a college was able to beat all the other ten "smaller" basketball teams in the state. Troy was this team, thus, making more history at Troy State College.

Troy State's freshman basketball team established a successful season for 1966-67. This was the first time the frosh cagers have had a full schedule for themselves. Their overall record of 5 victories and 3 losses made assistant coach, Jake Popham, proud. One outstanding point is that only two games were with junior colleges. The team was especially happy with their close victory over the Auburn Freshmen, 82-80.

Coach Popham says his main objective is to "develop individuals to help the varsity in future year." This he has accomplished. With completion of the nine-game 1966-67 freshman basketball season, Red Wave fans had sufficient glimpses of several up-and-coming underclassmen who should provide the support for good varsity teams for some years to come.

PHILLIP CREEL—Baseball

NICHOLAS COSTES—Cross Country and Track

Coach Creel graduated from Dothan High School in 1961, and Auburn University in 1965. He is 23 years old and came to Troy from Jordan High School in Columbus Georgia. Coach Creel is in charge of the defensive backfield during football season, and handles the baseball team in the Spring.

Coach Nicholas George Costes is one man who has really been there. In fact, he graduated there. That is, State Teachers College, Slippery Rock, Pennsylvania. Coach Costes has been at Troy since 1957, and has assumed all track and cross country duties, accordingly.

Coach Preston Griffin is a 1965 graduate of Troy State College. He has done further graduate work at the University of Alabama. Since returning to Troy, Coach Griffin has seen two consecutive winning years as the tennis coach.

Coach Max Howell is also a Troy State College alumnus. He was an all conference tackle for the Red Wave in 1961. Assistant line coach, physical education instructor, golf, and wrestling are his responsibilities as a coach and faculty member.

Golfers In NAIA Playoffs for Second Year

The Red Wave Golf Team continued their domination of the Alabama Collegiate Conference with a 16-4 record. The clubmen finished their league matches with a 5-2 mark. Through steady play, the team won the ACC championship for the fourth straight year. The golf team added another outstanding record to varsity sports at TSC. As District 22 NAIA champs, the team played in the national NAIA meet at Shawnee, Oklahoma. With the return of Dave O'Neal and Warren Hanchey, number one and two men on last year's team, Troy State can expect another excellent season in 1967.

Troy's number one golfer, Dave O'Neal exhibits the correct follow-through.

Troy's Track Team Rebuilds In 7-11-1 Year

The improving Red Wave track team was still unable to emerge from the lost column in the 1966 season. The team finished the season winning 7, losing 11, and tying 1. The team was led by returning letterman Pete Lee who was a triple threat in the high jump, broad jump and pole vault. The cindermen are coached by Nicholas Costes whose enthusiasm for track is exemplified by the determination of his team.

Winning Record of 9-3

The old days are gone. At one time, Troy dominated all cross country meets in the Alabama Collegiate Conference. Coach Costes states that his "problem is that the better athletes are participating in other sports."

Though it was not a losing season, the distance runners were hampered by a lack of depth. There were no returning lettermen from 1965. Ken Deavers was the leader for Troy in all meets, though he did not win first place honors in every start. For a team that had never been in competition before, Troy can be proud of this phase of their thinclads. The Red Wave placed second in the ACC, fifth in the Troy Chamber of Commerce meet, and had a 9-3 overall record for 1966.

STEVE ROGERS

That wrestling is Troy's newest intercollegiate sport is exemplified by the fact that there are only freshmen and sophomores on the team. This new type of competition has been at Troy for only two years. Yet, the opposing teams are all four year institutions. Most well known of these would be Georgia Tech and VPI. VPI is one of the oldest participants in this sport, and is considered among the best. There are no ACC schools with a wrestling team, though plans are for a conference schedule in the future.

Outstanding for the wave is Bob Murphey. Many coaches have stated that he is one of the best 167 pound freshman wrestlers in the country. Along with Bob, Coach Howell says "Tomaini, Rogers, Warren, and Waters are the nucleus" of his team.

Tennis Team Wins 11 and Loses 6 In 1966

After completing an 11-6 season, and placing third in tournament play in the Alabama Collegiate Conference, Coach Preston Griffin is looking forward to 1967. He has stated that "as far as he can determine, this is the finest quality team in aspects of ability and desire" that he has seen at Troy.

There are four returning lettermen on the 1967 version of the Red Wave netmen. Hank Garrett is the number one man, and will serve as the team captain. The second man on the team will be Bruce Barnes. Bruce is a freshman, and has a great future at Troy State. With this talent and experience, Coach Griffin looks forward to his best year yet.

Recreation Provided Through Intramurals

Intramurals have become the largest activity at Troy. The sports range from touch football in the Fall to softball in the Spring. Other activities included in the program are basketball, handball, and golf. Participants are drawn from the dorms, fraternities, or any other group or individual desiring competition.

With the presence of ping pong tables and pool tables in the dorms, there is competition in the indoor sports. Included in the over-all intramural program are the interdorm competitions. The highlight of these are the golf matches in the Spring.

The intramural program is presented by the athletic department, with Dr. Earl Watson as the director. Students are hired to officiate the games and matches. Evidence of the growth of the program is the division of the basketball league into two divisions, with a four team playoff for the championship.

Harrison drives across the center stripe.

A quick pass to the man under the basket for two points.

The campus golf course is the scene of many matches.

Basketball is a game in which height and stamina count.

The rules say "holding the hand so as to blind your opponent is illegal."

WRA Provides Competition And Relaxation

The Women's Recreation Association is made up of all women regularly enrolled at Troy State College. The participating teams come from the dorms, sororities, and other organizations on campus.

During the year, there have been interdorm volleyball and basketball tournaments. Softball, and field and track events are planned for the spring. Individual sports include tennis, badminton, table tennis, and swimming. Occasionally invitations from other colleges are received. Then the best women athletes from Troy State are picked, and usually bring home the banners.

Not only is ability necessary, but also drive and determination.

Let see, Jane 72, Mary 63, Wilma 70, John 93, Jack 100, Marvin 99 . . .

Let it never be said that there is a division line between students and faculty.

There are occasional distractions on the tennis courts.

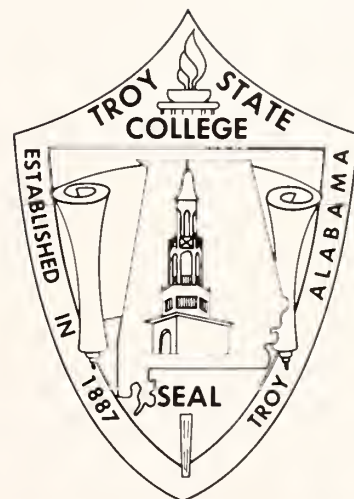

The two most important things to remember are to keep your eye on the ball and follow-through.

The girls exhibit their best soccer form.

. . . There will be time

And indeed there will be time
For the yellow smoke that slides along the street,
Rubbing its back upon the window-panes;
There will be time, there will be time
To prepare a face to meet the faces that you meet;
There will be time to murder and create,
And time for all the works and days of hands
That lift and drop a question on your plate;
Time for you and time for me
And time yet for a hundred indecisions,
And for a hundred visions and revisions
Before the taking of a toast and tea.

T. S. Eliot
